

As a security measure, some browsers do not allow Paypal to automatically function. To activate, please follow these steps:

In your browser, click Tools on your menu bar

Then go to Internet Options

Under the security tab, click on the Trusted Sites icon. Then click the Sites button

Here you need to enter in: <https://www.paypal.com> and click Add, then OK.

Then click the Custom Level button.

Here you need to make sure active scripting, Active-X controls, and pop-ups are enabled for this site.

Click Apply and Ok, and after refreshing your browser, Paypal should now work.

If this information does not help you, you can send your donation by check or cash to:

Saint Joseph Monastery
2311 Stockham Lane
Portsmouth, Ohio 45662

Please make checks payable to: St. Joseph Monastery

Thank you and God bless!
